

JONAL LABORATORIES, INC. - TERMS AND CONDITIONS OF PURCHASE Effective: 8/29/26

1. **GENERAL.** This purchase order, including any documents incorporated herein by reference, contains the entire agreement between the parties. The terms and conditions set forth on the face and reverse side of this purchase order are the only terms and conditions applicable hereto. Any attempt by Seller to supplement, modify, alter, revoke or amend these terms and conditions or any part of this purchase order shall not be effective unless specifically agreed to by Purchaser in writing.

2. **WARRANTY OF MATERIAL.** Seller warrants to Purchaser and its customers that the articles specified herein shall be free from defects in material and workmanship and shall conform to the requirements of this order. All materials shall be received subject to inspection and test. Rejected articles will be returned at Seller's expense and adjustment made either by credit or replacement at Purchaser's discretion.

3. **CHANGES.** The Purchaser shall have the right to make changes from time to time, subject to an equitable adjustment of the price. No modification of this order shall be binding upon Purchaser unless made by the Purchaser in writing.

4. **DELIVERIES.** Time and quantities are expressly made the essence of this order, and the Purchaser reserves the right to terminate this order as to any or all articles if shipment is not made as required. Should Seller experience or anticipate any delay in performing this Order, whether such delay is excusable under any provision hereof, Seller shall immediately notify Purchaser of such delay, its expected duration and the reasons thereof. Neither such notification nor an acknowledgment by Purchaser shall constitute a waiver of this Order's delivery schedule. In addition to any other liability of Seller set forth in this Order, Seller shall be liable for any direct, indirect, incidental, special, and consequential damage resulting from a delay. Seller shall not be liable for delays due to causes beyond his control and without his fault.

5. **PURCHASER FURNISHED MATERIALS AND INFORMATION.** All designs, tools, patterns, drawings, supplied materials, or other information by the Purchaser to the Seller for use in the manufacture of the articles contracted for herein shall remain the property of purchaser and shall not be used in the production, manufacture, or design of articles for any other purpose than originally contracted for without prior written authorization from the Purchaser. The Seller may not manufacture or produce quantities larger than those specified without written authorization from the Purchaser. Seller shall not disclose nor make available any such information or materials to any other party, except with the express consent in writing to the Purchaser.

6. **WARRANTY OF INTELLECTUAL PROPERTY.** By acceptance and in consideration of this order, the Seller warrants that the sale or use of any or all articles or material delivered hereunder will not infringe any intellectual property rights that the Seller will at his own expense defend any action, suit or claim in which such an infringement is alleged; and that Seller will save Purchaser and/or its customers harmless from any loss, damage or liability of any nature arising from any claim of such infringement.

7. **PRICE.** The price to be paid for the articles or materials covered by this order shall in no event exceed the applicable maximum price, if any, established by Government regulation and any provision or condition of the order which is in violation of any such regulation shall be of no effect.

8. **COMPLIANCE WITH LAWS.** In the performance of the work hereunder the Seller shall comply at all times with all applicable State, Federal and Local laws, rules and regulations. In accepting this order, Seller shall be deemed to represent that these goods will be or were purchased in compliance with all applicable requirements of federal, state, and local laws.

9. **NON-DISCRIMINATION.** The Seller will not discriminate against any employee or applicant for employment because of race, color, religion, sex, political belief, physical or learning disability, marital status, sexual orientation or national origin. The Seller will utilize affirmative action to insure that applicants are employed and that employees are treated equally during employment, without regard to their race, color, religion, sex, or national origin, with due regard to their qualifications and abilities.

10. **LABOR DISPUTES.** Whenever an actual or potential labor dispute is delaying or threatening to delay the performance of this order, Seller will immediately give notice thereof to the Purchaser. Such notice shall include all relevant information with respect to such dispute including what steps are being taken to assure the timely performance of this purchase order.

11. **GOVERNMENT CONTRACTS.** If this Purchase Order is a Government subcontract, any applicable provisions of Federal Statutes and Regulations as are mandatory under Purchaser's contract shall be incorporated herein and become a part of this Purchase Order.

12. **TERMINATION.** The Purchaser may terminate this order as a whole or in part at any time by notifying it in writing. Upon receipt of such notice or at the time specified therein, if any, the Seller shall incur no further costs of performance and shall terminate all orders and subcontracts given by Seller for performance. The Seller will then deliver and the Purchaser accept and pay for at the purchase order price all articles completed and ready for delivery in final form and according to specifications. As to uncompleted articles, if the articles are for use by Purchaser in fulfilling a contract that is subject to termination, settlement shall be made on the basis of and by analogy to the procedures provided by Purchaser's contract; otherwise, settlement shall be made on the basis of and by analogy to Government termination procedures. If a dispute shall arise as to any sum claimed by Seller, it shall be determined from an audit of Seller's books by a certified public Accountant chosen by Seller and acceptable by Purchaser.

13. **ASSIGNMENT.** This purchase order shall not be assigned by Seller without consent of Purchaser.

14. **INSPECTION.** (A) All material and workmanship shall be subject to inspection by Purchaser before and after delivery. The Purchaser may require Seller to replace rejected material or Purchaser may accept any materials that conform to Seller's warranties and upon discovery of materials not so conforming may reject or keep and rework any such materials not so conforming. Cost of rework, inspection, transportation repacking and/or inspection by Purchaser shall be at Seller's expense. (B) Materials to be used in the performance of U.S. Government contracts may be inspected and tested at all reasonable times and places, either before, during or after manufacture by Purchaser or by the Government agency concerned at Purchaser's discretion. (C) If inspection and test are made on the premises of Seller or Seller's subcontractor, Seller shall furnish without additional charge all reasonable facilities and assistance for the safe and convenient inspection and tests required by the inspectors in the performance of their duty. The foregoing provisions of this Article are supplementary to and not in lieu of the provisions of (A) above. (D) Inspection or failure to inspect, by Purchaser does not relieve the Seller of liability to perform according to the terms of the purchase order.

15. **CERTIFICATE OF COMPLIANCE.** When required the Seller shall furnish a "Certificate of Conformance" with each shipment that assures full conformity with the QA Requirements, applicable drawings and specifications and that test reports and inspection records are on file at the seller's or manufacturer's facility and are available for Jonal Laboratories and Government review. This certificate shall be validated by an authorized representative of the seller's quality department. An example of an acceptable "Certificate of Compliance" is as follows: "This is to certify that all items noted above are in compliance with the contract, drawings, specifications and other applicable documentation and that all required certifications, inspection and test records are on file and available for review by Jonal Laboratories and/or the Government."

16. **PHYSICAL AND CHEMICAL ANALYSIS.** When required the items or services being shipped or performed against this order require copies of actual chemical and physical test results showing actual readings taken and conformance to applicable specifications. These documents must be identifiable to the items they represent and shall be included with each shipment.

17. **GOVERNMENT SOURCE INSPECTION.** If notified that Government Source Inspection is required prior to shipment from your plant. Upon receipt of this order, promptly (not later than forty-eight (48) hours) notify and furnish a copy to the Government representative who normally services your plant so that appropriate planning for Government inspection can be accomplished. If a government representative does not service your plant, contact the nearest Army, Air Force, Navy or Defense Supply Agency inspection office. In the event the representative or office cannot be located, our purchasing agent should be notified immediately.

18. **AGE CONTROLS, PERISHABLE ITEMS.** Articles delivered under this order should contain: (1) Date of manufacture (2) expiration date (if required) (3) traceability number. In addition, materials purchased under this clause shall include a copy of the SDS (Supplier Data Sheet. No expired materials are allowed.

19. **NONCONFORMANCES.** Suppliers must notify Jonal Laboratories, Inc. in writing if nonconforming product has been shipped within 24hrs of learning of a nonconformance.

20. **NOTIFICATION OF CHANGE:** Supplier must notify Jonal Laboratories of changes in product and/or process, changes of suppliers, changes of manufacturing facility location and, where required, obtain organization approval in writing within 24hrs of learning of change.

21. **RIGHT OF ACCESS:** Supplier shall grant Jonal Laboratories Inc, its customers, and regulatory authorities access to the applicable areas of facilities and to applicable documented information, at any level of the supply chain, involved in the fulfillment of this Purchase Order.

22. **FLOWDOWN.** Suppliers must flow down to sub-tier suppliers all applicable requirements, including key characteristics where required, and ensure compliance with all relevant regulatory obligations, including the International Traffic in Arms Regulations (ITAR), and DPAS rating in the purchasing documents.

23. **COMPETENCE AND QUALIFICATION.** Supplier shall ensure that personnel performing work affecting the conformity of processes, products, or services provided under this Purchase Order are competent based on appropriate education, training, skills, and experience. Supplier shall ensure that such personnel possess all qualifications or certifications required by this Purchase Order, applicable drawings and specifications, customer requirements, and applicable statutory or regulatory requirements. Objective evidence of competence and required qualifications shall be retained in accordance with the record-retention requirements of this Purchase Order and made available upon request. Suppliers shall flow down this requirement to sub-tier external providers, as applicable.

24. **RECORD RETENTION AND DISPOSITION.** Supplier shall retain all quality records and applicable documented information associated with products and services provided under this Purchase Order for the period specified by the Purchase Order, applicable customer requirements, or applicable statutory and regulatory requirements. When more than one retention period applies, the longest applicable period shall govern. If no retention period is otherwise specified, records shall be retained for twenty-five (25) years from the date of final delivery under the Purchase Order.

Records shall remain legible, identifiable, retrievable, and protected against loss, damage, deterioration, unauthorized access, and unintended alteration throughout the required retention period. At the end of the applicable retention period, Supplier shall notify Jonal Laboratories, Inc. in writing at least ninety (90) days before disposing of any records. Records shall not be destroyed or otherwise disposed of without prior written authorization from Jonal Laboratories, Inc. Upon request, Supplier shall return or transfer the records to Jonal Laboratories, Inc. instead of disposing of them. This requirement shall be flowed down to applicable sub-tier external providers.

25. **NON-DISCLOSURE.** All items and services provided under this purchase order or in support of this purchase order are subject to Jonal Laboratories Inc's Mutual Non-Disclosure Agreement located at www.jonal.com.

26. **COUNTERFEIT MATERIALS.** Seller represents and warrants that only new and authentic materials are used in products required to be delivered to Purchaser and that the items delivered contains no counterfeit materials. Item found to be counterfeit will be reported to appropriate agencies and subject to controls set forth by Jonal Laboratories Inc.

27. **CODE OF CONDUCT.** Jonal Laboratories understands and expects that our product suppliers will have their own internal codes of ethics and conduct that, at a minimum, incorporates the requirements set forth by Jonal Laboratories Code of Conduct located at www.jonal.com.

28. **CONFLICT MINERAL REPORTING:** Seller shall submit a Conflict Mineral Report Template upon request. Seller shall perform appropriate due diligence on its supply chain to fulfill the reporting obligations of this Article.

29. **CALIBRATION REQUIREMENTS.** All calibration services performed in support of this Purchase Order shall be performed in accordance with the requirements of ISO/IEC 17025. Calibration certificates and applicable records shall be furnished and made available to Jonal Laboratories, Inc.
